Description : Colonna's Shipyard is a full service ship
repair facility conveniently located on deep
water in the Port of Hampton Roads,
Atlantic Ocean. Founded in 1875, it is the
oldest family owned shipyard in the US.
Colonna's employes more than 350
people, all very loyal resulting a general
high level of expertise. Although
Europeans recognize US yards to have a
higher price level. If trade brings a vessel
to the US it's best to spend your money at
a reliable address.
